

SEMBIRAN MASKS

Maker/Responsible	-	Pak I Wayan Sami
Origin	-	Desa Sembiran, Tejakula, Buleleng, Bali (Bali North)
Type	-	1. Topeng Cilian (Topeng Cilian comes from an idea of traditional cremation ceremony. In this ceremony is involved a doll which is called "Joged-Jogedan" which is in some areas also called "Cilian" as a symbol of a holy spirit of the person who is cremated. The doll is made by palm leaves according to the special and unique traditional value) 2. Topeng Boma (Boma motive is commonly found in some big temple in Bali, carved on the traditional gate called "Candi Gelung". It represents the time and the inexorable passage of time, and its mytological dimension causes people to introspection and meditation about the transience. Life goes fast! You have to do good deeds as not to offend Boma)
